

# Privacy Policy

Your privacy is important to mystudyapp and we are committed to protecting the privacy of parents and kids. Please take a moment to familiarize yourself with our privacy practices.

mystudyapp uses and makes all attempts to protect all information when you use our apps & services.

If you do not agree to this Privacy Policy, please do not use the service. We reserve the right to make changes to this Privacy Policy. If we make a material change to this Privacy Policy, we will notify you by posting the change in this Privacy Policy. Please check back from time to time to ensure that you are aware of these changes. Your continued use of the Service will signify your acceptance of these changes.

## **Personal Data Collected**

We use technologies like cookies on our website (small files stored by your browser or operating system), web beacons, or unique device identifiers to anonymously identify your computer or device. Our systems also logs information like your browser, operating system, IP address and anonymous usage data so we can deliver a better experience. We do not sell, trade, or rent Users personal identification information to others.

## **Non-personal Data**

For purposes of this Privacy Policy, "non-personal data" means information that does not directly identify you. Additionally, non-personal data means "aggregate" and "de-personalized" information, which is data mystudyapp collects about the use of mystudyapp users, from which any personally identifiable data has been removed.

## **Information Disclosure & Security**

In the following circumstances, we may disclose your personal information according to your wish or regulations by law:

- (1) Your prior permission.
- (2) By the applicable law within or outside your country of residence, legal process, litigation requests.
- (3) By requests from public and governmental authorities.
- (4) To protect our legal rights and interests. We take reasonable steps to secure your information against unauthorized access or disclosure. We encrypt transmission of data on pages where you provide payment information. However, no security or encryption method can be guaranteed to protect information from hackers or human error.

## **Contacting Us**

If you have any questions regarding the Privacy Policy, please contact us at the following email address.
